ducts its affairs in an efficient manner. In this case the villag
has been surveyed and settled and so there will be no harm in handin

Restoration of Tha ali Baza Darvesh Wakf at Nela Angala Jodi Mallapura endowed to it to the Waqf Board.

In submitting herewith a copy of report C.R4-117, dated 22nd April 1938 from the Sub Division Officer Gubbi Sub Division re. the above, I have the honour to state that on the ground of mismanagement of the Mahant, one Syed Ahmad Sa. Late of Jishi Khair, the institution was taken under the administration of Government vide Order No. 2804, 27.1 F-10-4 dated 17th May 1917. In this order Government had also directed that a committee of Panchayatdars should be appointed for the management of the institution and that steps should be taken to introduce survey and settlement in the village. No committee was appointed immediately as required by the Government Order but one was appointed on 10th January 1923 after survey, settlement also introduced in 1922. The Assistant Commissioner reports that none of the committees appointed acted properly and that it is not functioning well at all.

2. The present state of the institution and the village is that Syed Ahmad Sahib died in Sajjadanashin has left no direct descendants, his family has removed elsewhere and for all practical purposes the institution is without management. The management of Sajjad Peer was disallowed in proceedings No. 26-27 dated 3rd March 1937. During this period of correspondence, no serious steps were taken to improve the affairs of the institution with the result that its affairs went from bad to worse, and the amount due from the tenants in the Jodi village remained a standing balance of Rs.2488-11-0 has to be collected now. The question of taking disciplinary action against the officers responsible for this state of affairs is separately under correspondence with the Revenue Commissioner who has called for a report in the matter.

3. In order to improve the affairs of the institution, the Sub Division Officer after detailed enquiry recommends that the time is ripe to hand over the institution and the village to Syed Ahmad Sahib Chesti alias Sajjada Peer and that the recovery of the arrears should not delay the restoration.

the arrears need not delay the restoration.

4. I ree with the Sub Division Officer and request that orders of Government may be obtained in the matter.

5. The connected records are submitted herewith for referen return.

Secretary to the Government of Mysore,

SIR,

With reference to your letter No.1372/Muz.122-29-4 dated 13-1-30 stating that the question of the restoration of the management of Sha Ali Davesh Makhan at Nelamangala together with that of the Inam villa of Mallapura endowed to it, to Mr. Syed Shah Mohideen Chesti alias Sajjad Peer, nephew of the late Makhandar, may be considered after proceeding on certain directions indicated therein, I have the honor to forward herewith a copy of letter No.C6-3360/27-28 dated 19-5-30 from the Deputy Commissioner, Bangalore District, recommending the immediat restoration of the Makkan and its Inam village to Mr. Sajjad Peer and to state as follows:-

1. It is reported that the heavy arrears of R. 2,483-11-3 due from the Inam village has since been reduced to R 800/- and that it might become necessary in due course to write off R 400/- to R. 500/- as the defaulters have no other property to be proceeded against. The enquiry into the bad management of the village by the local officers set on foot will take a long time as the several officers concerned are in different Districts and some of them have since retired and as such it does not seem fair for the restoration to await the enquiry. The transferee, Mr. Sajjad Peer, has given a statement that he would execute a mutchalika to the effect that he would look to the better management of the Makkan and its Inam village if all the arrears of the village are coll ted and handed over to him and the Makkan got repaired out of the a nt now available, viz., about R. 5000/- at

the credit of the institution. 3 He is agreeable to pay of the income of the village instead of the 15% fixed by an annual expenditure of Rs 843/- is stated to be incurred in respect both the Makkan and the Inam village while the income from the village is only Rs 600/- and odd. Both the Sub Division Officer, Dodballapur, and the Deputy Commissioner, recommend the restoration on the conditions laid by the transferee as he is fairly well educated and is held in high esteem by the Mahommedan population of the place.

2 It may be stated that the matter was discussed in the presence of the Dewan during his recent tour at Nelamangala when Sajjad Peer made a representation in the matter.

4 In these circumstances, I request that sanction of Government may kindly be obtained for the restoration of the Makkan and its Inam village to Sajjad Peer, the Sajjada of the Makkan, after duly obtaining a necessary mutchalika from him and a Committee of Nazarim-e-ow-Koffs for the supervision of the Makkan appointed and a suitable scale of expenditure fixed. The Makkan which is stated to be in a dilapidated condition may also be ordered to be got repaired out of the amount now available at the credit of the institution.

5 The connected vernacular records are herewith enclosed for reference.

I have the honor to be,

Sir,

Your most obedient servant,

Yeerasseegja Peer

for Muzrai Commissioner.

Above from Head Clerk

Letter No.C-6-3360/27-28 dated 19-5-30 from the Deputy Commissioner, Bangalore District, to the Muzrai Commissioner in Mysore.

In continuation of my letter No.C-6-3360/27-28 dated 4-4-30 re: the restoration of the management of the Sha Ali Darvesh Makhan at Nelamangala, I have the honor to forward herewith the vernacular records ending with the Dodballapur Sub Division Officer's No.A4-1158/27-28 dated 29-4-30 and to state that the Sub Division Officer has now submitted the heavy arrears relating to Mallapura village, endowed to the institution in question has been reduced to about Rs 900/- and that it might become necessary to write off Rs 400/- to Rs 500/- as the defaulters have no other property. The Sub Division Officer further states that the enquiry into the bad management of the local officers has been set on foot but as the officers concerned are in different Districts and some of them are retired, the enquiry will necessarily take a long time and it does not seem fair to delay the restoration until the enquiry is completed.

Under the circumstances reported, I agree with the opinion of the Sub Division Officer. In this connection I may state that the matter has been discussed with you in person, when Mr. Sajjad Peer made his representation to the Dewan during the recent tours. The management of the village may be entrusted to Mr, Sajjad Peer who is the Sajjada of the Makkan.

Government order No. 2864/Muz. 555-15-4 dated the 17th May 1917 directing that the Sha Ali Rasa Darvish Makhan at Nelamangala and the Inam village of Mallapura endowed thereto, may be taken under Government management.

2. Correspondence ending with letter No. 1837 of 1928-29 dated the 2nd/4th June 1930 from the Muzrai Commissioner in Mysore, recommending for reasons given, that the management of the Makhan referred to in the Government order read, together with the Inam village endowed to it, might be restored to Mr. Syed Shah Mohideen Chesti alias Sajjad Peer, nephew of the late Makhandar, for management as suggested in para. 4 of his letter:

"With reference to your letter No. 1372/Muz. 122-29-4 dated the 16th January 1930 stating that the question of the restoration of the management of Sha Ali Darvesh Makhan at Nelamangala together with that of the Inam village of Mallapura endowed to it, to Mr. Syed Shah Mohideen Chesti alias Sajjad Peer, nephew of the late Makhandar, may be considered after proceeding on certain directions indicated therein, I have the honor to forward herewith a copy of letter No. C.6-3560/27-28 dated 19-5-30 from the Deputy Commissioner, Bangalore District, recommending the immediate restoration of the Makhan and the Inam village to Mr. Sajjad Peer and to state as follows:-

2. It is reported that the heavy arrears of Rs. 2,483-11-3 due from the Inam village have since been reduced to Rs. 800/- and that it might become necessary in due course to write off Rs. 400/- to Rs. 500/- as the defaulters have no other property to be proceeded against. The enquiry into the bad management of the village by the local officers set on foot will take a long time as the several Officers concerned are in different Districts, and some of them have since retired

..d as such, it does not seem fair for the restoration to await the enquiry. The transferee Mr. Sajjad Peer, has given a statement that he would execute a mutchalika to the effect that he would look to the better management of the Makhan, and its Inam village, if all the arrears of the village are collected and handed over to him and the Makhan got repaired out of the amount now available, viz., about Rs. 5000/- at the credit of the institution. He is agreeable to pay a reserve of 5% of the income of the village instead of the 15% fixed by Government, as an annual expenditure of Rs. 843/- is stated to be incurred in respect of both the Makhan and the Inam village, while the income from the village is only Rs. 600/- and odd. Both the Sub-Division Officer Doddaballapur and the Deputy Commissioner recommend the restoration on the conditions laid by the transferee as he is fairly well educated and is held in high esteem by the Mahommadan population of the place.

3. It may be stated that the matter was discussed in the presence of the Dewan during his recent tour at Nelamangala when Sajjad Peer made a representation in the matter.

4. In these circumstances, I request that sanction of Government may kindly be obtained for the restoration of the Makhan and its Inam village to Sajjad Peer, the Sajjadanasheen of the Makhan, after duly obtaining a necessary Mutchalika from him, and a Committee of Mazarine-ow-Koffs for the supervision of the Makhan appointed and a suitable scale of expenditure fixed. The Makhan which is stated to be in a dilapidated condition may also be ordered to be got repaired out of the amount now available at the credit of the institution.

5. The connected vernacular records are herewith enclosed for reference.
